

The Escalation Workshop

A **FREE** interactive training for community members, youth service providers, educators, administrators, and law enforcement. This workshop also includes "Domestic Violence 101" training.

The Escalation Workshop is a film-based discussion that opens people's eyes to the warning signs of relationship abuse. The workshop consists of a film, *Escalation*, followed by a guided discussion led by a trained facilitator. The film follows a college-aged couple through the very sweet beginnings of their relationship and shows how unhealthy behaviors can escalate into abuse.
